RxPreferred

CASE STUDY

350 LIVES · SELF-FUNDED EMPLOYER · EAST COAST

$200K

saved in year one

A mid-size employer moved its pharmacy benefit to our transparent model. The savings went straight to the bottom line.

37%
lower drug spend

43%
lower total Rx cost, rebates included

YEAR PRIOR VS. YEAR ONE

Prescription cost

Previous PBM	$532,071
RxPreferred	$332,987
Rebates returned to the plan	$0 → $31,440

The goal

Cut pharmacy spend while keeping a benefit strong enough to retain top talent.

Our approach

Transparent pricing, 100% pass-through of discounts and rebates, and a custom plan design.

Member access

67,000 pharmacies, no mandated mail order, and 24/7 support for members and the client.
